Current Status

I am currently the Consultant Child and Adolescent Psychiatrist for Poplar Adolescent Inpatient Unit at Rochford Hospital, employed by South Essex Partnership NHS Trust. I have held this substantive post since October 2015. Prior to taking up this post I have been the Consultant for Southend Child and Family Consultation Service for four years from August 2011.

I offer independent psychiatric consultation at the Anglo-European Clinic in Southend and at the Forest Therapy Centre in South Woodford.

Special Interests

I have special interests in group therapies for children and adolescents, neurodevelopmental disorders, psychopharmacology, emerging personality disorders, anxiety disorders and the role of information technology and internet communities in mental health care.
